

I am very pleased with INDIANA'S "No Call Law" the way it is.

I am not bothered during dinner, or my relax time by people I do not know nor do I care to know !!.

I have been BOTHERED at least a DOZEN times in one night by people selling windows to toilet paper, including Viagra. I would believe my sex life is mine and no one else's.

PLEASE PLEASE do not BIG BROTHER Indiana's law for your own \$\$\$ GAIN. It is not fair to the people that want to be left ALONE !!!.

Thank you for allowing me to voice my concerns.
